Helpful Hints for a Successful Year

- **BE ON TIME!** The warm-up is important for mental and physical preparation.
- **DO NOT** wear any jewelry to class. Students will be asked to remove watches, necklaces, bracelets etc, and often forget to pick them up after class.
- **LEAVE ALL VALUABLES AT HOME!** If it is absolutely necessary to have valuable items with you, please keep them in the studio while you dance. Do not forget them when you leave!
- **BE PREPARED.** Make sure that you have proper attire for your classes. In particular, your shoes and hair. You can't play hockey without the right skates and you can't dance without the right shoes. Please make sure hair is in a bun for ballet and ponytail for all other classes.
- **CALL IN!** When your child is ill or unable to attend class please make a quick call to the studio to let us know or send us an e-mail.
- **DO NOT PARK IN THE BUS OR HANDICAPPED ZONE!** Every year some unfortunate parent gets a ticket for parking illegally. There is new underground parking in the back with Spotlight's name on it
- **LOST AND FOUND!** We have a great green box located in the office filled with items. Please make sure you label all your dancewear!

REMEMBER!!

You are your children's best advocate. If you have any questions or concerns, please talk with their teacher.
